Do you want our facades to be like the unrenovated, or the renovated?

- Resolution 3.1 is not a MCST resolution**, but one submitted by two SPs from level 14, to look after **the interests of 15 SPs** only.

unrenovated

- If you vote Yes to Reso 3.1, the appellant is **certain** take it up further. **You have already lost approx \$1,500**, if there is a new suit, you will stand to lose even more. **We need to resolve the problem once and for all**, and the article “A suggested way forward” will ensure the matter is put to rest permanently.

you, based on my recommendations on the website. I am usually walking in the grounds of BP, in the morning between 8.30 a.m. to 10 a.m. and from 4 p.m. to 5 p.m. you can hand your proxy form to me then. Or you can drop your proxy form into my letterbox T1 #15-03.

Simply fill in your name, address and sign the form (indicate Tower and unit number at the top of form), and I will handle the rest. **Pl work with me to get us out of this mess.**
